

THE GREATEST GIFTS

Happiness, peace of mind and priceless moments for the entire family.

“I want to express my appreciation to you and the staff at The Watermark at Continental Ranch for your great attitudes, abilities, compassion and hard work for the residents, as well as their friends and family. It’s so bright and cheerful there. Certainly, it’s no small task to provide such a caring and fun atmosphere at a care community with so many personalities and varied needs. I especially appreciate the responsiveness of all who work there, especially the care staff. The Watermark has freed me up to simply spend time with my brother without all the pressure of trying to meet his every need. Thank you so much. Please extend my thanks to all who work there.”

“Russ and I have been so impressed with how you have made this transition a smooth experience. We appreciate how available you have been for our questions and concerns. Your team went above and beyond the call of duty going to my mom’s doctors yesterday to get the updated orders. We truly appreciate all that was done to help make this transition smooth and drama-free. With great thanks.”

“If you have a loved one searching for Assisted Living, I highly recommend The Watermark at Continental Ranch, just down the road. My grandma passed this week, and they were so truly wonderful to her. She moved in when they opened, and it was a blessing for all of us as we lost grandpa last year. Not only was she close, but the staff was so caring. Everyone from caregivers to housekeeping came by to see her in her final days. They really do care about their residents.”

“I want to thank you for showing great respect and consideration for my mother at the September 12 luncheon. Although it was not the purpose of the day, you created a day of fellowship and admiration for Mom among her peers. You are very special and you make others feel special.”
